

SOUTHLAND CENTRAL CLUB CHAMPIONSHIPS INFORMATION

Volunteers

We need people to help with a number of tasks including marshalling skaters, registration or merchandise desk, music playing or announcing, timing for referee, runner for officials (filling hotties, etc).

Clubs are asked to provide at least three - four volunteers to help out (this could be your competitive skaters once they have competed). Remember this is our Club Champs so many hands make light work and we can all watch our children compete if we share the load.

If you are available then please use the link below to complete our google doc.

Catering

Clubs are also asked to help provide food/supplies for our officials during the period of the competition. This is also in the above form (check the tabs). Please think about what you could contribute and supply any food in non-returnable containers. Non perishable foods can be dropped at the rink on Friday between 6pm - 8pm when the setup is being undertaken, or alternatively by 9am Saturday. If you have hot food, we ask for this to already be cooked therefore heating is only required.

Schedule

The schedule is currently being worked on and we are hoping to have it on the NZIFSA website by the end of the weekend. The Sports Complex will not open until 8.30am.

Unofficial Practice

Ice Sports Southland have very kindly donated 2 hours of ice time on Friday 24 July 6-8pm for our skaters to practice on at NO CHARGE. If you are interested in utilising this time please fill in the below cognito form and you will be allocated some practice time. This will allow us to ensure that numbers aren't too high or too low at any one time. There will be no programme music played at this time.

Competitors may be videoed using any type of device but the person taking the video must have a permit, these can be picked up at the registration desk.
