*min charge, additional ice time used will be charged on a user pays basis.

NOTE: When tests incur additional ice time costs beyond those already charged, or costs for judges expenses, these costs will be passed on to the athletes concerned. This applies to all tests.

- Test days at both rinks are for skaters from all Auckland-area clubs.** No priority will be given to skaters who skate at any particular rink, test applications are processed on a first-applied basis. Tests will be considered booked once fully completed forms have been submitted and payment received. Discussions with the test coordinator or a club representative shall never be considered as an application, or as a means to reserve a place.
- If a test is full, the skater will be placed in the queue for the next available date.** If there are too many applications for a particular test date, an additional test date may be added if practical.
- The Skater shall complete the form in consultation with their coach and **send this application with the appropriate fee, to the Secretary of their Home Club** no later than 21 days prior to the test date. Cheques should be made out to the Home Club. **Forms should never be given directly to the test coordinator.**
- Applications are not valid if they are submitted without the correct fee or if they are not signed by the coach.
- If a skater withdraws from a test less than 21 days from the test date, the fees paid are not refundable except for illness or injury when a doctor's note is supplied.
