### Comments from Development Squad members on participating in the ISU Development Trophy

*I learnt lots of new skills from our coach, Shanetta Folle, that I can take away to continue practicing. After the training, we got to compete against each other which was also a great experience as having lots of people around created a great atmosphere to skate in.* Tracy Danbrook

*This was a great opportunity to learn new jumps, spins and techniques. We had many new exercises to do. It was also fun to skate with a whole lot of other people from different places around the world.* Abbey Heale

*I learnt lots and gained a lot of knowledge that I can use in my skating. Another highlight of the trip for me was meeting Michael Martinez who competed in the Sochi Winter Olympics.* Michael Durham

### Singles Development Camp 23-25 April

A three day camp was held at the Avondale rink in Auckland for skaters from around the country that are in the Talent ID / Age Development and International Development Squads. Kim Lewis and Liudmila Kuznetsova worked a very committed group of skaters over the three days with on-ice and off-ice conditioning.

The group also spent a little time working on developing interview skills.

Well done to all our skaters. This is a great competition to attend to gain feedback early in the season on your programmes as well as competing against a different pool of skaters. You do not need to be selected for this competition. We encourage NZ skaters who are aiming for selection, as a NZ rep or inclusion in the development squad, at the NZ Nationals to consider including this competition in their yearly plan.

### Requesting permission to attend competitions outside New Zealand

A friendly reminder to all skaters – if you are planning to attend any competition outside New Zealand you need to request permission from the NZIFSA via the General Secretary [secretary@nzifsa.org.nz](mailto:secretary@nzifsa.org.nz) before making any arrangements to attend.

### Introducing the NZIFSA Office Bearers

Last month we reported the results of the elections at the AGM. This month we want to take a little time to introduce you to the whole team that volunteer their time to make the NZIFSA function. The organisation is divided into three groups that all have different functions.

Over the following newsletters we’re planning to profile a number of these roles and give you a bit more information about what these roles involve and the people that do them.

### Child Protection Officer – Imelda-Rose Sheerin

I am the current Child Protection Officer for the NZIFSA. I am based in Auckland and am currently a Technical Specialist. I was previously a competitive skater to Senior level.

My primary role as the Child Protection Officer is to act as a contact person for the reporting of concerns under the NZIFSA’s Child Protection Policy. I also now have responsibility for arranging police checks of coaches and officials as required under NZIFSA’s policies.

It is important that the environment in which children participate in figure skating in New Zealand is safe, protected and positive. Staff, coaches, officials, volunteers and parent(s)/caregiver(s) should be familiar with the policy and those ‘on the ground’ need to take an active role in monitoring compliance with the policy and raising any concerns.

If you have any concerns that relate to the NZIFSA’s Child Protection Policy, please do not hesitate to contact me on [child-protection@nzifsa.org.nz](mailto:child-protection@nzifsa.org.nz) or by phone on 021650991.

## **Provisional Schedule for 2014 NZ National Championships**

| Sunday 12 October   | All Adult events   |

While we do not anticipate or plan to change the days that the events are held, there may be some change in the order of events on each day to best accommodate the number of skaters in individual grades and the disciplines skaters are entered in, grouping together dance events and the scheduling of ice cleans. However, changes will NOT be made to the days of events due to skaters competing in more than one discipline. The banquet will be held on the evening of Saturday 11 October. Keep an eye out for information bulletins that will be sent out via the NZIFSA general email list.

All the best in skating  
Jeanette King and Sandra Williamson-Leadley
