

NZIFSA Funding Policy

Version 8.0 13 March 2018 (reviewed and reissued without change)

1. Policy Aims and Considerations

This policy aims to set out the terms and amounts of funding which will be made available to those persons eligible under the Selection Policy or those appointed by the board to represent New Zealand at the Australian National Championships and at International events specified in this Policy

The purpose of funding is to achieve particular aims of the Association.

The maximum amount funded is subject to budgetary considerations and is likely to vary from year to year. Income, other expenditure, the number of athletes and officials representing New Zealand in a season, and the number of events attended will all impact the maximum funding that the NZIFSA will be able to provide.

All funding amounts are quoted as and shall be paid in NZ Dollars.

2. Travel and Reimbursement Policy Applies to All Funding

All funding provided for by this policy is also subject to the terms of the Travel and Reimbursement Policy (please refer to details of this policy before submitting a claim). Funding will only be paid once the event for which the funding allocation had been advised has been completed and proof of participation in the event provided.

3. Travel and Accommodation

Except where explicitly noted otherwise, funding is provided for reimbursement of approved travel and accommodation expenses only. Accommodation en-route will not be funded unless it is both an organised part of team travel and reduces the overall cost of travel.

Only economy class airfares will be funded.

4. Contributions for Coaches

Where funding is provided for coaches, funding will be provided for an athlete to take their New Zealand based primary coach. Where another coach is used, the maximum funding provided will be less.

Funding for a primary coach is provided for travel and accommodation for the time the skater/s is competing only.

Funding for a coach other than the athlete's/team's New Zealand based primary coach is provided for coaching fees only.

Parents/caregivers may not act as coaches unless they are Coach Members of the NZIFSA and have been the primary coach for their child for more than one year.

Where two or more athletes use the same coach, only one primary coach contribution will be provided.

5. Funding Season

The funding season is defined as approximately one year between New Zealand Nationals events. Within this document season always refers to funding season.

6. Funding is Maximum

All amounts shown are the maximum that may be reimbursed (subject to the Travel and Reimbursement Policy). Where a percentage is given, only that percentage of the total reimbursable expenses will be reimbursed (up to the maximum given).

7. Qualifying Bonuses

Events	Discipline	Criteria	Max Qualifying Bonus
Worlds / Junior Worlds	Singles, Pairs, Dance	Skater participates	\$750
		Skater reaches free skate round	Additional \$750

* Costs and remuneration for the 1st and 2nd events will be combined where a skater attends two events.

** The figure allowed per skater is a maximum. Each skater's share is reduced when the product of the maximum per skater and the number of skaters exceeds the total pool.

9. Synchronized Skating Teams

Events	Max. Funding per Event	Max. Funding per Coach per Event	Max. Events Funded per Season
Worlds	\$100 per team member, Maximum \$2,000 per team	NZ based Primary: \$1,000 Other: \$400	1

Australian National Championships	\$65 per team member, Maximum \$750 per team from a maximum pool of \$2,500 per annum	\$0	1

10. Team Leaders

- A Team Leader will normally be appointed by the Board where there are two or more skaters/pairs/couples attending an international competition. A skater's coach or parent cannot be appointed as a funded Team Leader – the only potential exception to this being the ISU Development Trophy (refer point c).
- Where only 1 skater/pair/couple is attending an international competition, the coach or a parent/partner may be named as a Team Leader to ensure they have access to the information given to Team Leaders, but will be unfunded.
- A Level 2 or 3 coach will normally be appointed by the Board as the Coach/Team Leader for the ISU Development Trophy. Ideally this coach will not have a skater attending. However, because of the limited number of Level 2 and 3 coaches, the likelihood that a number of the Level 2 and 3 coaches will have skaters attending, and the often short timeframes given by the ISU, the Coach / Team Leader appointed may be the coach of a skater if no other eligible coaches are available to attend.

Events	Max. Funding per Official per Event	Max. Events Funded per Season
Singles/Pairs/Dance/ Synchronised Team leader at ISU Championships and ISU Internationals	For events in North/South America, Asia and Oceania, \$1,500 plus cost of official accommodation if not provided by ISU for official days of competition	1*
	For events in Europe and South Africa, \$2,500 plus cost of official accommodation if not provided by ISU for official days of competition	

* Normally a person may be selected for a team leader position only once per funding season, however if circumstances require an individual to serve as team leader at more than one competition, funding will be provided in all cases.

11. Novice to Senior National Judges / Officials

Events	Max. Funding per Event	Max. Events Funded
Australian Figure Skating Championships	\$200 per judge/official from a maximum pool of \$1,000 per annum. Judges/Officials must apply to the NZIFSA and be accepted by ISA to be eligible for funding.	1 per year
