

SOUTH ISLAND ICE SKATING ASSOCIATION Inc.

**OFFICIAL NOTICE OF CHANGE OF DATE FOR 2012 COMPETITION**

**31<sup>ST</sup> AUGUST, 1<sup>ST</sup> & 2<sup>ND</sup> SEPTEMBER 2012**

As dates clashed with both North Island and South Island competitions, we had been approached by the North Island Skating Association to move our date out by one week as North Islands were unable to change due to ice restrictions at their rink. This would have made it very difficult for judges to attend both events. The judges felt that it was not fair to the skaters in terms of being judged consistently between both islands.

We distributed an email to all South Island Clubs recently proposing the date change, as there were no objections the date has now been changed.
