

Below please find some information about the member forums to be held at Nationals

MEMBER FORUMS

Three member forums have been scheduled, and we encourage you to come along to listen and give others the benefit of your constructive feedback and suggestions. They will all be held upstairs at the Dunedin Ice Stadium

When?	What?	Who should be there?	What's covered?
Saturday 7 October 12:30pm	Coaches Forum	All coaches	What are the current challenges facing coaches? Update on ISU Coaches Education Qualification Framework
Sunday 8 October 12:30pm	Rules and Regulations	All skaters, coaches, parents and officials are welcome to attend	This is part of our annual review of the NZIFSA Rules and Regulations. We won't be going through each of the proposed changes line by line. You need to have read up the proposed changes and come along with your questions or suggestions.
Sunday 8 October 1:15pm	MythBusters	All skaters, coaches, parents and officials are welcome to attend	Have you got questions you would like answered or clarification provided where you've heard conflicting information? Are you getting information from various groups you belong to and you are not sure whether it is correct or not? Please submit your questions online by 5pm Friday 6 October and we will aim to answer them at the MythBusters member forum. https://www.cognitoforms.com/NewZealandIceFigureSkatingAssociation/MythBusters There will be a chance to ask questions during the forums. However, if you submit your questions in advance that gives us the opportunity to check information. Note – forums are not the place to discuss questions pertaining to any individual skater or team and their circumstances. Please address those sorts of questions to secretary@nzifsa.org.nz .

There were a couple of timing errors on the volunteer form that have now been rectified. Many thanks to the people who have volunteered already. If you haven't got round to volunteering for your favourite (or any) role, the link is below. We'd appreciate finalising the schedule by Thursday.
