Lorenzo brings a youthful dynamic approach to his coach and skater education.

He is a level IV European Coach and CONI (Italian Olympic Committee) member. He has a Sport Science degree from UniRoma4 University. He is an ISU Technical Specialist for singles and pairs as well as an ISU Data Replay Operator and he took an active part in the organisation of many competitions including the Universiade, Europeans, Worlds and Olympics.

Coaches and skaters will benefit from his unique approach and perspective as he has trained numerous athletes representing many different nations at international competitions, Junior Championships, Senior Championships and Olympics. He has coached skaters to podium positions in ISU Championships, ISU Junior and Senior Grand Prix competitions, the Challenger series and international competitions.

Lorenzo is also a choreographer and has used these talents for international shows as well as competitive skater programs.

Join us and learn from this brilliant coach.
