Welcome to the 2025 Auckland Championships. After a very successful competition season last year, we look forward to seeing what this year has in store for us. Thank you to all the competitors who have entered this weekend. To the Judges, Technical Panel and volunteers, without you, we could not have run this competition. The time you dedicate does not go unnoticed or unappreciated. To the AIFSC Committee, thank you for all of your hard work ensuring that this competition can go ahead.

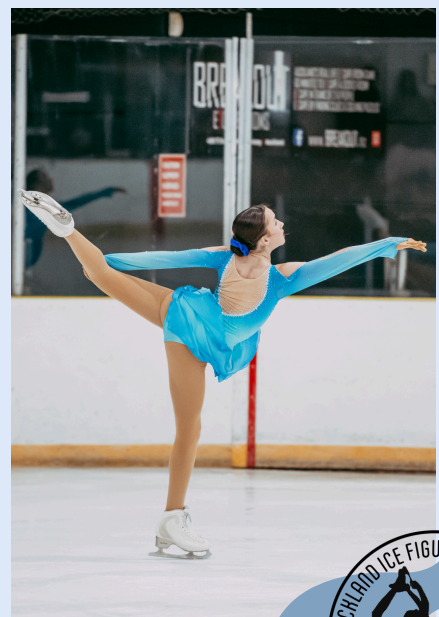

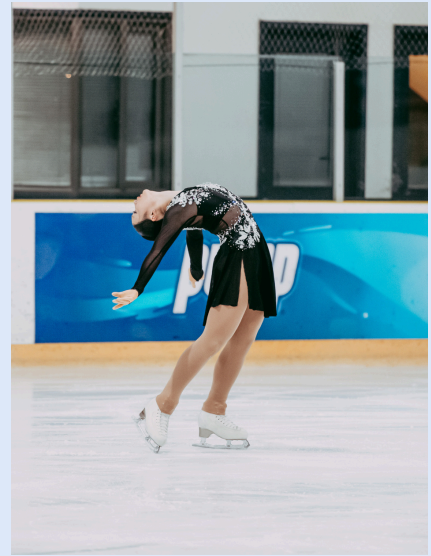

To the competitors in all grades, best of luck
